Go Grün

German Village Society
Columbus, Ohio

GO GRÜN MISSION
RECYCLE, REUSE, SUSTAIN

GO GREEN

To adopt and develop initiatives that educate, assist, and promote sustainable eco-friendly practices within our urban historic community.

FUTURE PLANS & HOW TO GET INVOLVED

Green-grams are intended to educate the community about how to "be green" via a simple monthly tip in Neighbors 4 Neighbors. If you have a suggestion or ideas you would like to learn more about please email the Go Grün co-chairs.

As the group looks forward to 2010, we plan to continue to offer recycling at all GVS sponsored events. We hope to collaborate with Pistacia Vera in the purchase of a bike to participate in a local community bike share program. Our long range plan includes workshop seminars to educate the community on various green practices.

Looking to get involved or have ideas to share?

Contact the Go Grün Co-Chairs Crystal Seamon and Brian Santin for future meeting dates, or any of the current committee members: Kelly Sloan, Carolyn McCall, Janet Druen, Pam Bergeron, Heidi Drake, Jo Anne St. Clair, Ellen Glimcher, or Jessica Mitchell.

We look forward to hearing from you!

Projects

Recycling

Haus und Garten Tour

Go Grün partnered with Solid Waste Authority of Central Ohio (SWACO) to provide recycling at this year's Haus und Garten Tour. This was the inaugural recycling event sponsored by the GVS. Over 600 cubic feet of recyclable waste was collected during this year's event. Subsequently the 2009 Art Crawl also offered recycling and this month's Monster Bash will as well.

Community Farm

Livingston United Methodist Church

With the help of Pastor Jim Donnan, Go Grün broke ground this summer at the church for the first GVS Community Farm. We had an abundance of tomatoes and other crops to not only share with each other, but also the Food Pantry. Keep an eye out for details of plans for expansion next year!

Bike Raffle

Thanks Roll: and Pistacia Vera

Roll: owners and GV residents Allyson Morena and Stuart Hunter donated a cruiser to be raffled for our cause this summer at the Art Crawl. For the month of August Pistacia Vera sold tickets and displayed the bike in their store front. Dave Ranallo was the lucky winner of the bike. We raised over \$750 dollars to help support Go Grün initiatives.
